DISCUSSION/ACTION ITEMS:

1. Discussion and/or action: LAFCO report update.

Mr. Virgen reported that he met with LAFCO at the meeting that we had earlier he presented to them all the information that they wanted. We are only pending the financial audit that is almost done. We had a good meeting and he wanted to brief them on the possibility of looking at buying a site with construction rather than starting from scratch and buying a lot etc. The questions that they brought were pretty significant to the ones we had asked already. They just were looking to see if we have a plan, a stainability plan and informed them or our plan. Pretty much they were very positive once again and it was a great meeting. They plan on having a meeting on March 9th and they are just requesting the copies of all grant agreements and the letter of extensions just to make sure that they have that. Other than that they have everything that they need for that meeting.

2. Discussion and/or action: HW4Ks amendment (Name change from HW4Ks to Fit and Healthy Center and rent re-allocation authorization of the existing budget).

Mr. Virgen reported that they finally got their 501c so they are changing their name and want to know if we can change the name on the agreement. On the other one is that we had already discussed that their rent went up and they want to re-allocate some of the funds they are getting to pay for the rent. It would be budget neutral or us. It would something on their end. They would have to pull money from somewhere else to pay for the rent. We did discuss this before and the rent is going to go up every year quit significantly. They will be possibly looking for new space.

Motion was made by Board Member Apodaca and second by Board Member Grijalva to approve authorizing amendment of name, authorize payment to the new name of the non-profit and

authorize the re-allocation of rent from their internally from their existing approved budget.
